EXCERIA PLUS Portable SSD exFAT MBR Format

procedure using Mac

Please follow as below procedure to format EXCERIA PLUS Portable SSD to exFAT MBR with Mac.

Please be sure to back up important and necessary data before formatting because that formatting may result in loss of all data.

1. Plug EXCERIA PLUS Portable SSD directly to a USB port of Windows PC. Click Finder icon at the bottom center of the screen.

2. Click **[Utilities]** in the **[Go]** menu to start Utilities.
